## Assembly Plant Codes (11th character of VIN number)

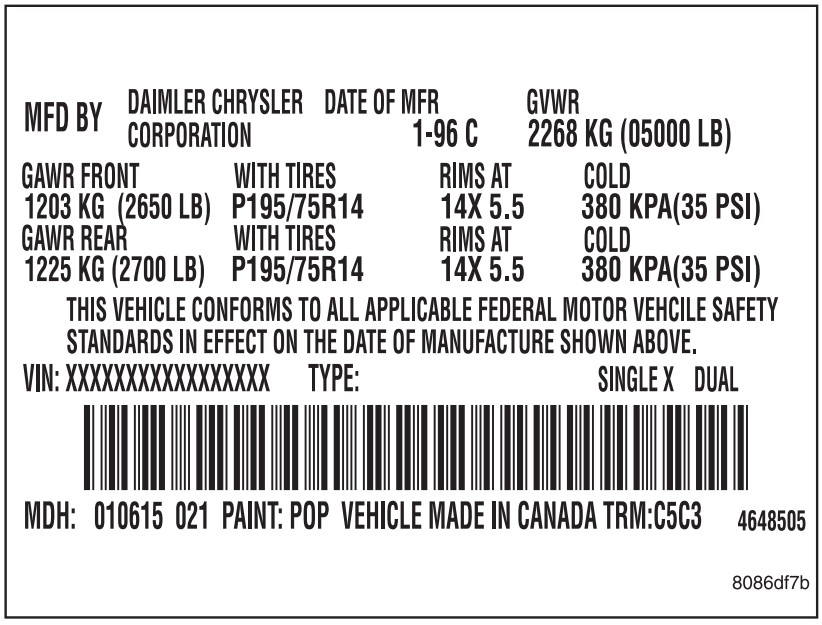
| Plant Code | Plant | Models |
|---|---|---|
| B | St. Louis (South) | Caravan / Grand Caravan / Town & Country |
| C | Jefferson North | Grand Cherokee / Commander |
| D | Belvidere | Caliber / Compass / Patriot |
| F | Newark | Durango / Aspen |
| G | Saltillo | Ram / Ram Extended Cab / Ram Heavy Duty |
| H | Brampton | 300 / 300C / 300 Touring / Magnum / Charger / Challenger |
| J | St. Louis (North) | Ram / Ram Extended Cab / Ram Heavy Duty |
| L | Toledo Supplier Park | Wrangler |
| N | Sterling Heights | Avenger / Sebring Sedan / Sebring Convertible |
| R | Windsor | Town & Country / Grand Caravan / Pacifica / Caravan |
| S | Dodge City (Warren) | Dakota / Ram |
| T | Toluca | PT Cruiser |
| V | Connor Ave. | Viper |
| W | Toledo North | Liberty / Nitro |
| X | Osnabrueck, Germany | Crossfire |
| 5 | Dusseldorf, Germany | Sprinter |

## Model Year Designation (10th character of VIN number)

| Code | Year |
|---|---|
| N | 1992 |
| P | 1993 |
| R | 1994 |
| S | 1995 |
| T | 1996 |
| V | 1997 |
| W | 1998 |
| X | 1999 |
| Y | 2000 |
| 1 | 2001 |
| 2 | 2002 |
| 3 | 2003 |
| 4 | 2004 |
| 5 | 2005 |
| 6 | 2006 |
| 7 | 2007 |
| 8 | 2008 |

## Paint Code Location

**Note**: Paint Code can be found on Vehicle Certification Label on inside of the driver side door jamb.



# DaimlerChrysler
# 2008 Model Year
# Color Compatibility Guide

The DaimlerChrysler Color Compatibility Guide is a tool to help distinguish colors found on a production vehicle not represented as a color code on the Paint Identification Label. Based on the color documentation received from DaimlerChrysler, the data contained herein is presumed to be correct. However, we cannot assume responsibility for error or change.

All colors represented within the Guide are color chipped in the 2008 Color Manual. The color may not be chipped in the Color Manual under the same category as represented within the Color Compatibility Guide. Refer to all color chips under DaimlerChrysler.

## How To Use The Color Compatibility Guide

Locate the Exterior three digit "P" Color Code (ie: PB2) found on the Paint Identification Label. Refer to the DaimlerChrysler Color Code Location page located in the 2008 Color Manual.

The Guide is listed in alphabetical order by the three digit "P" Color Code which can be found in the first column titled Exterior Body Color. Locate the correct three digit "P" Color Code. The DaimlerChrysler three digit "Q" Lower Color Code and Color Name are also represented.

It is important to refer to the Model Name column for the correct model usage. To the right of the model name check Accent, Accessory, Wheel or Interior columns for your specific refinish repair. A color representation of each code is shown in the Color Print Sections under the same heading names used on the Color Compatibility Chart.

## Assembly Plant Codes (11th character of VIN number)

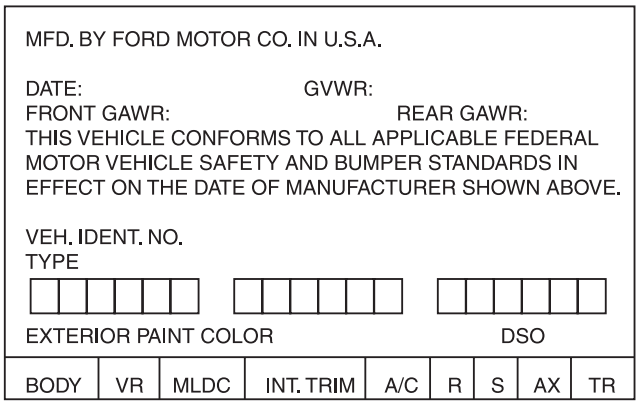
| Plant Code | Plant | Models |
|---|---|---|
| C | Ontario Truck Plant | Edge / MKX |
| D | Ohio Truck (Avon Lake, OH) | Econoline |
| E | Kentucky Truck | F-Series |
| F | Dearborn | F-Series / Mark LT |
| G | Chicago | Taurus X / Taurus / Sable |
| K | Kansas City SUV | Escape / Escape HEV / Mariner / Mariner HEV |
| K | Kansas City Truck | F-Series |
| L | Michigan Truck (Wayne, MI) | Expedition / Navigator |
| M | Cuautitlan | F-Series |
| N | Norfolk | F-Series |
| P | Twin Cities (St. Paul, MN) | Ranger |
| R | Hermosillo | Fusion / Milan / MKZ |
| U | Louisville Truck | Explorer / Mountaineer / Sport Trac |
| W | Wayne | Focus |
| X | St. Thomas | Grand Marquis / Crown Victoria / Town Car |
| 5 | Flat Rock | Mustang / Shelby Cobra GT500 |

## Model Year Codes (10th character of VIN number)

| Code | Year |
|---|---|
| N | 1992 |
| P | 1993 |
| R | 1994 |
| S | 1995 |
| T | 1996 |
| V | 1997 |
| W | 1998 |
| X | 1999 |
| Y | 2000 |
| 1 | 2001 |
| 2 | 2002 |
| 3 | 2003 |
| 4 | 2004 |
| 5 | 2005 |
| 6 | 2006 |
| 7 | 2007 |
| 8 | 2008 |

## Paint Code Location

**Note**: Paint Code can be found on Vehicle Certification Label on the Driver Door Edge or Driver “B” Pillar.



# Ford Motor Company
# 2008 Model Year
# Color Compatibility Guide

The Ford Color Compatibility Guide is a tool to help distinguish colors found on a production vehicle not represented as a color code on the Paint Identification Label. Based on the color documentation received from Ford, the data contained herein is presumed to be correct. However, we cannot assume responsibility for error or change.

All colors represented within the Guide are color chipped in the 2008 Color Manual. The color may not be chipped in the Color Manual under the same category as represented within the Color Compatibility Guide. Refer to all color chips under Ford.

## How To Use The Color Compatibility Guide

Locate the Exterior two digit Color Code (ie: AQ) found on the Paint Identification Label. Refer to the Ford Color Code Location page located in the 2008 Color Manual.

The Guide is listed in alphabetical order by the Ford two digit Color Code which can be found in the first column titled Exterior Body Color. Locate the correct two digit Color Code. The Ford "M" Number and Color Name are also represented.

It is important to refer to the Model Name column for the correct model usage. To the right of the model name check Accent, Accessory, Wheel or Interior columns for your specific refinish repair. A color representation of each code is shown in the Color Print Sections under the same heading names used on the Color Compatibility Chart.

# General Motors / Saturn / Hummer
# 2008 Model Year
# Color Compatibility Guide

The General Motors Color Compatibility Guide is a tool to help distinguish colors found on a production vehicle not represented as a color code on the Paint Identification Label. Based on the color documentation received from General Motors, the data contained herein is presumed to be correct. However, we cannot assume responsibility for error or change.

All colors represented within the Guide are color chipped in the 2008 Color Manual. The color may not be chipped in the Color Manual under the same category as represented within the Color Compatibility Guide. Refer to all color chips under General Motors.

## How To Use The Color Compatibility Guide

Locate the Exterior "WA" Number (ie: WA132A) Color Code found on the Paint Identification Label. Refer to the General Motors Color Code Location page located in the 2008 Color Manual.

The Guide is listed in numerical order by the General Motors "WA" number which can be found in the first column titled Exterior Body Color. Locate the correct "WA" number. The two digit General Motors Color Code and Color Name are also represented.

It is important to refer to the Model Name column for the correct model usage. To the right of the model name check Accent, Accessory, Wheel or Interior columns for your specific refinish repair. A color representation of each code is shown in the Color Print Sections under the same heading names used on the Color Compatibility Chart.

Various gloss levels of Black (WA848) are available and are color shown in the Miscellaneous category in the Color Manual. Each gloss level is represented by a separate refinish number. It is important to determine the correct gloss level necessary for repair to determine the correct refinish formula is used.
