# METAL ROOF AND SIDING SEALANT

## SEALANT SOLUTIONS FOR COIL COATINGS

### NOW YOU CAN BE EVEN MORE CONFIDENT IN YOUR CHOICES.

Geocel® is part of the Sherwin-Williams Building Solutions family of roofing brands, each ideally formulated to work together perfectly on your projects or jobs. Here are just a few of the reasons to choose Geocel Premium Sealant Solutions.

- New tough, waterproof plastic cartridge won't degrade in rain
- Provides a wide variety of sealant technologies
- Popular colors to match leading, building-product manufacturer's standard colors
- Outstanding adhesion to Fluoropon® 70% PVDF and WeatherXL™ coil coating on metal roof panels and other building substrates

**2300  
NEW**  
Waterproof  
Cartridge

#### 2300 TRIPOLYMER

- Waterproof plastic packaging
- Outstanding, multiple-surface adhesion, including coated metals
- All-weather application
- Immediately waterproof
- Available in clear and 10 additional colors
- Metallic copper and silver colors

#### 4350 METAL ROOF & SIDING:

- Premium hybrid formulation
- Waterproof plastic packaging
- Adheres to coated metals
- Strong, lasting adhesion to metal, wood, masonry, brick and PVC
- Excellent workability ... even wet, cold or extreme heat
- Available in 23 colors to match leading product manufacturers' standard colors

#### 8150 100% SILICONE:

- Waterproof plastic packaging
- High-movement capability
- Easy to apply
- Translucent to blend in, yet hide joints
- Works with all Sherwin-Williams coil coatings

### SETTING THE STANDARD IN METAL BUILDING SEALANTS FOR OVER 40 YEARS
