

METAL ROOFING

PROTECT, SEAL AND PAINT

BUILDING SOLUTIONS from Sherwin-Williams offers a complete selection of metal roof coatings, sealants and paint products that all work together by design. Take your business to a whole new level with compatible products and a depth of industry knowledge from a single-source supplier – giving you peace of mind. Protect, and seal your metal roofing with our full portfolio of building solutions.

BUILDING
SOLUTIONS

GEOCEL - METAL ROOF SEALANTS

Deliver powerful waterproofing protection against water damage and fix leaks quickly with high-performance Geocel Roof Sealants for metal roofs, available in major manufacturer standard colors.

COIL COATINGS - HIGH-PERFORMANCE METAL COATINGS

Top tier protection is a must for your metal roofing investment and Sherwin-Williams Coil Coatings provides two powerful coatings solutions – Fluorpon®, Illumipon™ and WeatherXL™, which provide protection, fade resistance and long-lasting color.

**SHER-COLOR -
SHERWIN-WILLIAMS STORES**

Access standard coil and extrusion roof coating color palettes with the Sher-Color Program to find exact color matches in a wide variety of other paint products, providing color consistency across product lines.
