POWDURA® POWDER COATINGS

At Sherwin-Williams we are committed to our customers in Mexico; that's why we have created a personalized Powdura® Powder Coatings color card to offer you the breadth and flexibility you need for your finishing requirements.

Powdura coatings offer a seamless assortment of colors, gloss ranges and textures, as well as custom colors made by our excellent R&D team in Mexico.

With the benefit of our local support in Mexico, distribution platform and commitment to always providing value-added service, Sherwin-Williams is your total finishing solution.

Polyester TGIC powder coatings are the optimal choice when versatility is critical. We provide coating solutions for a wide range of applications and finishers. These formulations offer great performance and are excellent to many kinds of applications, including electronics, toys, metal building products, furniture, appliance, transformers, lighting and many others.

POWDURA POLYESTER TGIC POWDER COATINGS ARE RECOMMENDED FOR A BROAD RANGE OF INTERIOR/EXTERIOR FUNCTIONAL AND DECORATIVE APPLICATIONS.

WHY CHOOSE SHERWIN-WILLIAMS POWDER COATINGS?

- Our in-stock powder coatings offer excellent performance
- We are always committed to improving efficiencies and operations on our customers' paint lines
- Full Sales and technical service available in Mexico and globally
- Manufactured with the highest quality standards for the Mexican market requirements
