

# Powdura® RAL 75 Color Ring Program

Our new RAL 75 Color Ring Program puts the top 75 in-stock powder colors at your fingertips! With detachable steel panel samples, these color rings are a great way to introduce your customers to the most popular in stock RAL colors available with two-day delivery. Now available to order through OrderExpress.

## TO RECAP, THE PROGRAM OFFERS:

- Two-day delivery on 75 of the most popular High-Gloss and Satin RAL powder coatings.
- Super-Durable TGIC-Free technology featuring an increase in transfer efficiency and improved penetration into faraday areas
- The confidence of RAL consistency with the speed customers need for their most critical jobs
- Convenient 25-lb quantities

Use the RAL 75 color ring to show customers our most popular RAL in stock powder products. Available to order through OrderExpress.

Use the RAL 75 Color Ring to sell your customers on the value of our 2-Day\* RAL program — and take additional share in this profitable market!

RAL Ring – Available on Archway # 2006318

Visit <http://oem.sherwin-williams.com/services/color-cards/ral-color-selector> to reference available colors when a Color Ring is not on hand.

\*This offer is available only in the continental United States and the Canadian provinces of Ontario and Quebec. Sherwin-Williams reserves the right to modify or cancel the program without notice at any time. Order quantity limitations may apply. Program applies only to the 75 stocked RAL High Gloss and Satin powder colors. For purposes of this program, business day means Monday-Friday, excluding holidays. The net purchase price of the late delivered product is customer's sole remedy in the event of a late delivery. Under no circumstances shall Sherwin-Williams be responsible for any indirect, special, consequential or punitive damages in connection with this program.
