NATURALIST

Walking barefoot in the garden, nature lovers instantly connect with the wonder of the world in full bloom. With roots in the forest, this palette's colorful tendrils grew in hothouses and conservatories until they became these lush, sophisticated tones. Ranging from mushroom to leafy green to passionate floral pink, they've now found a place where they'll never fade.

RACONTEUR

From ancient sagas to today's motivational speakers, we love our storytellers. With colorful accounts they sum up our very nature and remind us how we're all connected. Passed from grandmothers, traders and nomads, the tales traveled the world, gaining artistry, until we've translated them into a rich and modern palette that spans space and time.
