ULTRA-CURE® 1250 UV OIL FINISHES

CLEAR AND PIGMENTED UV OILS FOR INTERIOR HARDWOOD FLOORING

Suitable for natural and stained interior wood flooring, Ultra-Cure 1250 UV Oil Finishes offer a unique, rustic appearance. Available in clear or pigmented, these deep-penetrating UV oils set themselves apart with a close-to-the-grain appearance compared to traditional, higher build floor finishes.

- Delivers a unique penetrated, wax-like look
- Mechanically brushed into the grain for a rustic appearance
- Simplified 1-2 coat application process
- Available in clear, black and white
- Tintable for custom color development
