SHERWIN WILLIAMS | HIGH PERFORMANCE FLOORING

COLOUR CARD

SOFTOP™ SYSTEMS

POLYURETHANE COMFORT FLOORING

Sherwin-Williams SofTop comfort floors marry extreme durability and robustness, yet retain a soft and comfortable finish which is modern and attractive for diverse applications. Designed with footfall and wear in mind the finish is so tough it's suitable for industrial areas as well as commercial and domestic facilities, providing sound absorbing ergonomics, improving the acoustic properties of a building and reducing acoustic impact on other areas of the building.
